

Sponsorship Application

Sponsorship is a great way for community members & businesses to support the Clear Falls High School Orchestra Booster Club (CFHSOBC). The CFHSOBC helps to fund many aspects of the Orchestra program such as student social events, scholarships for seniors, and the annual end of year Banquet. Sponsors will have their name listed on the www.clearfallsorchestra.com website and in the final concert program in May. Additionally, business advertisements may be purchased for print on the back of the school-year Orchestra t-shirt and in the final concert program.

Sponsorship is for community members who do not have a student currently in the orchestra.
